1 ICS-Courses taken -- 1 point for every course taken & passed any exam

BASIC COURSES

- ___ ☐ 100 (or replacement) date on Certificate _____
- ___ ☐ 200 (or replacement) date on Certificate _____
- ___ ☐ 700 (or replacement) date on Certificate _____
- ___ ☐ 800 (or replacement) date on Certificate _____

ADDITIONAL COURSES

- ___ ☐ 300 (or replacement) date on Certificate _____
- ___ ☐ 400 (or replacement) date on Certificate _____
- ___ ☐ 802 (or replacement) date on Certificate _____
- ___ ☐ 120 (or replacement) date on Certificate _____
- ___ ☐ EC-001 (or replacement) date completed _____

Others: (List) (1 point for each)

- ___ ☐ _____
- _____
- _____
- _____

2. Equipment Assets --- 1 point each except as noted.

HF GEAR

- ___ ☐ HF SSB/CW
- ___ ☐ HF Digitally-capable (e.g., signalink or equiv.)
- ___ ☐ HF station/antenna at home
- ___ ☐ Portable HF station/antenna capability (for example a Go-Kit)

VHF/UHF GEAR

- VHF/UHF FM
- VHF/UHF Digitally capable (e.g. Signalink or equivalent sound card)
- Hand-held VHF
- VHF/UHF station/antenna at home (more than a HT with a rubber antenna)
- Portable VHF/UHF station/antenna capability (for example a Go-Kit)

PORTABLE COMPUTING

- Portable computer with working battery?
- Portable printer?

SPECIALIZED GEAR

- PACTOR modem

Protocols loaded:

- AX.25
- WINMOR
- FLDIGI (at least one of multiple protocols)
- JT- of any sort
- ARDOP
- VARA
- PACTOR
- Other: _____

Antenna Gear

- Coax line >= 50 feet?
- Balanced feedline >= 50 feet?
- HF SWR meter?
- HF manual antenna tuner? {1 point max for HF tuner types}
- HF auto antenna tuner?
- VHF SWR meter?

Any significant other radio assets not mentioned above: (please list, 1 pt. ea.)

- _____
- _____
- _____

3. Emergency Power Assets

- 1 point for home emergency power
Generator at home w/fuel
Solar or other power source at home
- 1 point for portable emergency power
Portable generator or solar? 1 point

___ 3 points maximum for good battery planning:

- Portable battery >= 7 Amp-hr @12V?
- Portable battery >= 35 Amp-hr size?
- Multiple battery packs for handheld?

___ 1 point for Inverter:

- AC inverter to operate from car/car battery?

Other: Any other significant emergency power not mentioned above? (Please list)

4. Skills practiced on regular basis (1 point each if done within last 6 months unless otherwise marked.)

- ___ HF Voice (i.e., making contacts)
- ___ HF Voice traffic net/Radiogram capable (i.e., handling traffic)
- ___ HF CW (i.e., making contacts)
- ___ HF CW net/Radiogram capable (i.e. handling traffic)
- ___ HF Digital FLDIGI (i.e. making contacts)
- ___ HF Digital Winlink (i.e. sending/receiving email/attachments)

- ___ Able to get emergency HF antenna up and working?
(1 point total, if accomplished anytime within 1 year)

- ___ VHF Voice (i.e., making contacts on repeater)
- ___ VHF Voice traffic net/Radiogram capable
- ___ VHF Digital (packet keyboard e.g. EASYTERM)
- ___ VHF Digital WINLINK

- ___ Able to get emergency VHF/UHF antenna going?
(1 point total, if accomplished anytime within 1 year)

- ___ Able to program your VHF/UHF transceiver(s)?

Any skills practiced regularly not mentioned above? (Please list)

_____ <---TOTAL POINTS PER INDIVIDUAL

Thanks to North Florida Amateur Radio Club nf4rc for the original version of this form!
