- The latest Roster was emailed on Jan. 24th
- Please update your cell phones with names, call signs and mobile numbers

# LPOTA – Event Review

- Local Parks on the Air - Summary
  - It was rather cold
  - I did not get to participate at all
  - As far as I know, only a 2 or 3 folks were on the air
  - Maybe we can schedule for another time when warmer

# 2022 IL State ARES Spring SET

- Saturday April 30 - on the air at 8:00 AM
- I will be out of the area that day
- I have little specific info (like a real event might be)
- Expect traffic on HF 80 meters – 3.905 +/-
- You can participate from home or in the field
- Follow any instructions given as best you can
- You might hear a County contact person – one may be named shortly before the event

# Severe Weather Spotting

- Possible Changes Coming
- To improve the overall state of spotting & net
- No or minimal change for most of our spotters and the processes each follow
- We are considering having a liaison person at the Bunker – primary function to coordinate spotting locations among other spotters
- Net Control will remain wherever makes sense
- Would also like “home” spotters to monitor the Calling Frequency 146.520 for travelers who have spotting reports and can't find the Net

# Code Red Notifications

- Everyone on our Roster is now on Code Red
- In the event of severe weather requiring storm spotters, we will be notified via Code Red
- We have had no activations so far this year
- If you learn of an activation and do not get a Code Red notification, please contact Rich

# Severe Weather Tabletop Exercise

- Held by the Peoria City/County Health Dept.
- Discuss ways to improve our Spotter Team
- Wednesday April 27, 2022 at 6:00pm

- Register at [surveymonkey.com/r/KW7DW75](https://surveymonkey.com/r/KW7DW75)
- Food to be provided (so please register)

# Emergency Expo

- We have been invited to participate (again) after a 2-year event hiatus
- Tuesday, July 12, 2022 – 4-7 pm
- Shoppes at Grand Prairie – between Dick's and the former Berger's (towards Rt 91)
- Emergency Responder – Touch-a-Truck Event
- Informational Booths on Safety-Related Topics
- Do we want to participate?

# RATPAC Zoom Sessions

# Meeting Survey

- Thanks to the many who took the short survey
- Results are divided regarding preference to meet in-person vs meet virtually
- High degree of willingness to meet in-person
- We do have options for meeting in-person:
  - Bartonville American Legion
  - Apparently the Peoria Red Cross recently reopened
- May do a mix of in-person and virtual meetings
- Might change the day of the week
- So watch your email for more information
